

# Balancing Rules with Relationships *Or* Things We Wish We'd Know Sooner

## Things We Wish We'd Know Sooner

Can a "hyper" child turn out alright?

Come and hear living parents speak about the journey with their eleven children.

Chuck has taught science in a public high school for 40 years, including Special Education, while Home Educating his own children with Joanne during the past 20 years.

By God's grace, all 13 in the family are strongly committed to God and His Word.

### Ever heard any of these?

- ❖ You only had me so you could have a slave to do your work!
- ❖ I don't feel like you love me—I know you do but I still don't feel it.
- ❖ When can I date?
- ❖ How come I can't \_\_\_\_ when all my friends' parents let them?
- ❖ Can I have the computer in my bedroom?
- ❖ Why don't you trust me?
- ❖ There isn't any joy in this house!
- ❖ Why can't I ever have any fun?
- ❖ You're grounded!!!!

*We've heard them all in our house.*

### Would you like to hear what God taught us?

- in spite of our many poor choices
- through the truths of the Bible
- and through surrendering to God's wisdom.

# Presented in Multimedia by Chuck and Joanne Bultman
